

Lytchett Matravers Football Club: Kit Policy

At Lytchett Matravers Football Club, we strive to keep our costs down to make football affordable for all. We also aim to reduce waste and unnecessary expenditure. Therefore, we have created this policy to ensure that we can meet our objectives.

- ❖ Player fees cover the cost of training and matches. This includes all equipment, Training t-shirt, ¼ zip top, DCFA affiliation, insurances, facilities hire and league and cup entry costs. Fees do not include any kit.
- ❖ Home and Away kit costs are covered by sponsors and remain the property of LMFC. Home and Away kits include shirts, shorts and socks.
- ❖ Away kits are for youth teams only (under 11 and upwards).

- ❖ Training tops belong to the player. These tops are purchased every 2 seasons. If a player outgrows their tops in this time, these are available to purchase.
- ❖ Kits are required to last 2 seasons and all kit must be returned to the club after that time. Players will only be issued their new kit once their old kit has returned.
- ❖ Should a player leave the club, they must return their kit or they have the option to buy the kit from the club.
- ❖ Returned kits will be reallocated and reused where necessary to reduce wastage or where they cannot be reused, they will be donated to charity.
- ❖ All kit purchasing must be done through our Kit and Equipment Manager.

LMFC Committee written 2020, amended August 2024
